

Our Credit Application has been designed for easy completion; however, it is important to fill it out accurately to ensure prompt service. The following directions will help you, but if you have any questions, call **800.800.8098** and we will be happy to assist you.

1. Equipment/Cost Terms:

Enter the type of equipment, equipment cost and proposed term of the lease. LCA must have this information to start the credit decision process.

2. Vendor(Supplier) of Equipment:

Please provide the required Vendor information. LCA's representatives will contact the Vendor based on the information you submit. Double-check phone and fax numbers for accuracy.

3. Applicant Company Information:

LCA will base its credit decision on this section of the application. Again, spelling and accuracy have great importance in determining the turnaround time on your application. Fully complete each section with the proper information.

4. Personal Information of Guarantors:

This section authorizes LCA to verify personal credit information of your guarantors. Please have the personal guarantor(s) fill it out including Social Security and driver's license numbers.

5. Company Bank References:

When possible, provide two bank references. Our credit decision is influenced by the bank's overall rating. You must include the account numbers and contact officer's name and telephone number of each bank. To avoid delays, the applicant should call the contact person at the bank and authorize the release of the required information to LCA.

6. Trade References:

Our credit decision also will consider trade references. A company's payment history with its suppliers assists us in the decision. Please provide the names of two major suppliers, their addresses, phone numbers and contact persons. Accountants, lawyers or credit card accounts are not acceptable references.
